Wander through Wonderland  
Amazing Race Scavenger Hunt Fundraiser  
July 31st-August 4th 2017

A fundraiser for ASAP Youth Council and the Brooke Hancock Family Resource Network Youth Sponsored Activities. The Scavenger Hunt will take place in a different city each day during the week. Here are the cities and their themes:

Chester: Mad Hatter's Tea Party  
New Cumberland: Cheshire Cat's Dark Forest  
Weirton: Dweedle Dee & Dweedle Dum's Crossroads  
Wellsburg: Red Queen's Castle  
Follansbee: Singing Flower Patch

The public libraries in each town have been designated as the "Rabbit Hole" and will be our day of the event registration location and point of contact for all registrants. We are looking for "5" key locations in each city for our contestants to search and find. At each location, individuals and teams will be asked to complete a task and post a picture on social media to receive their next location riddle. The first team or individual to complete all the tasks will receive a prize.

We are asking for your help in locating those landmarks in your city you'd like us to highlight during this scavenger hunt. Each scavenger hunt will begin at 6 p.m. Again we would like 5 locations in each city. Please contact me if you'd like more information.
